State Capitol, Room 3030
Sacramento, CA 95814

CAPITOL SECURITY TECHNICIAN (CST) JOB DESCRIPTION

BASIC FUNCTIONS:

Capitol Security Technicians (CST) will operate a walk through metal detector magnetometer as well as conveyer X-ray screening equipment which is controlled by a computer keyboard. CSTs will perform duties as required to assist in maintaining the overall security operation of the State Capitol Building and Legislative Office Building (LOB). CSTs are non-sworn uniformed civilian personnel; they are specifically not authorized to exercise peace officer powers and will be trained relative to duties.

DUTIES:

- Directly responsible for the front-line screening of visitors and staff entering the State Capitol Building and Legislative Office Building (LOB) in order to ensure a safe and secure environment
- Perform visual examinations and identification of objects in bags, boxes and containers as they pass through the X-ray machine on a conveyer belt
- Operate walk through magnetometers
- Screen staff and visitors with a hand held metal detector; perform hand inspections of bags if necessary
- Interact with staff and the public; give directions and respond to inquiries
- Identify and report possible threats
- Assist in controlling access to the State Capitol Building and Legislative Office Building (LOB) by confirming proper authorization and identification
- Write clear and concise incident reports
- Excellent communication skills; ability to explain security regulations to visitors and staff
- Customer service oriented; ability to remain calm, courteous and professional in a fast paced environment
- Strong analytical skills with attention to detail
- Use sound judgment under pressure; able to respond quickly and appropriately in emergency and routine situations
- Able to maintain focus and awareness in a noisy environment which includes noise from alarms, machinery and people, in order to preserve the ability to identify potentially life threatening situations

MINIMUM POSITION QUALIFICATIONS:

- Must be at least 18 years of age
- Graduation from high school or satisfactory completion of an acceptable General Education Development (GED) Test
- Must possess a valid California Driver License or Identification Card
