**Legislative Counsel’s Digest of Assembly Amendments**

Senate Bill 838, as it passed the Senate, expressed the intent of the Legislature to enact statutory changes relating to the Budget Act of 2016.

The Assembly amendments, among other changes delete those statements of intent and instead, provide that specified revenues received by the state from designated tribal compacts are required to be remitted to the California Gambling Control Commission for deposit in the General Fund. The Assembly amendments also require the Controller to calculate and publish the allocation of specified funds for transportation development for the 2015–16, 2016–17, and 2017–18 fiscal years, as specified. The Assembly amendments require the Department of Motor Vehicles to pilot and evaluate a process to register voters pursuant to the California New Motor Voter Program to assist persons who do not fully complete the voter registration process and require the department to report on October 15, 2016, to the Joint Legislative Budget Committee, on the outcome of the pilot process. The Assembly amendments also require the department to notify the Joint Legislative Budget Committee by September 1, 2016, if it is unable to implement the pilot process for any reason and appropriate the sum of \$3,888,000 from the General Fund to the Department of Motor Vehicles to implement the California New Motor Voter Program.

The Assembly amendments implement changes increasing specified registration fees for vehicles and trailers, make changes relating to the issuance or renewal of driver’s licenses and identification cards, and make changes relating to carrier identification numbers for motor carriers.

An act relating to tenancy.

**Legislative Counsel's Digest of Assembly Amendments**

SB 775, as it passed the Senate, specified that certain provisions of the Costa-Hawkins Rental Housing Act relating to the certification of permissible rent levels do not, on an after January 1, 2016, apply to tenancies commencing on or after January 1, 1999, for which the owner of residential property may establish the initial rent under the act, as specified.

The Assembly amendments except from this exclusion a tenancy for which the property owner provides the local rent control agency with a writing, signed under penalty of perjury, of the tenancy's initial rent that complies with the agency's requirements, which would create a rebuttable presumption that the statement of the initial rent is correct.

S.B. No. 939—Monning.

An act relating to continuing care contracts.

**Legislative Counsel’s Digest of Assembly Amendments**

SB 939, as it passed the Senate, among other things, required a continuing care retirement facility to pay a specified portion of the lump sum payment owed to a resident whose continuing care contract has terminated if the resident’s unit remains vacant 120 days after the termination of the contract.

The Assembly amendments delete the requirement that a continuing care retirement facility pay a portion of the lump sum payment if the resident’s unit remains vacant 120 days after the termination of the contract.

The Assembly amendments delete the requirement that the new definition apply to all cases filed on or after January 1, 2017.
