GOVERNOR'S VETOES

8

S.B. No. 894— Jackson.
An act relating to firearms.
Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 894 without my signature.

This bill makes it an infraction (or a misdemeanor for the 3rd offense) to fail to report the theft, loss, or recovery of a lost or stolen firearm.

I vetoed similar measures in 2012 and 2013, because I did not believe that a measure of this type would help identify gun traffickers or enable law enforcement to disarm people prohibited from having guns.

I continue to believe that responsible people report the loss or theft of a firearm and irresponsible people do not; it is not likely that this bill would change that.

Sincerely,

Edmund G. Brown Jr.

2016

Jul. 1—Shall Senate Bill 894 become a law notwithstanding the objections of the Governor? (Must be considered pursuant to Joint Rule 58.5.)

SENATE DAILY FILE
GOVERNOR'S VETOES—Continued

9

S.B. No. 49— Runner.

An act relating to elections, and declaring the urgency thereof, to take effect immediately.

Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 49 without my signature.

When only one candidate qualifies for a special primary election ballot to fill a legislative vacancy, this bill permits a Governor to cancel the election and declare the candidate elected.

In the situation envisioned by this bill, potential write-in candidates would be excluded from participating in the election. This doesn't seem consistent with democratic principles that call for choice and robust debate.

Sincerely,

Edmund G. Brown Jr.

UNFINISHED BUSINESS

S.B. No. 838—Committee on Budget and Fiscal Review.

An act relating to transportation, and making an appropriation therefor, to take effect immediately, bill related to the budget.

Legislative Counsel’s Digest of Assembly Amendments

Senate Bill 838, as it passed the Senate, expressed the intent of the Legislature to enact statutory changes relating to the Budget Act of 2016.

The Assembly amendments, among other changes delete those statements of intent and instead, provide that specified revenues received by the state from designated tribal compacts are required to be remitted to the California Gambling Control Commission for deposit in the General Fund. The Assembly amendments also require the Controller to calculate and publish the allocation of specified funds for transportation development for the 2015–16, 2016–17, and 2017–18 fiscal years, as specified. The Assembly amendments require the Department of Motor Vehicles to pilot and evaluate a process to register voters pursuant to the California New Motor Voter Program to assist persons who do not fully complete the voter registration process and require the department to report on October 15, 2016, to the Joint Legislative Budget Committee, on the outcome of the pilot process. The Assembly amendments also require the department to notify the Joint Legislative Budget Committee by September 1, 2016, if it is unable to implement the pilot process for any reason and appropriate the sum of \$3,888,000 from the General Fund to the Department of Motor Vehicles to implement the California New Motor Voter Program.

The Assembly amendments implement changes increasing specified registration fees for vehicles and trailers, make changes relating to the issuance or renewal of driver’s licenses and identification cards, and make changes relating to carrier identification numbers for motor carriers.

Legislative Counsel’s Digest of Assembly Amendments

SB 1229, as it passed the Senate, provided that a collector, as defined, is not liable for civil damages, or subject to criminal prosecution, for maintaining a secure drug take-back bin on its premises if the collector, in good faith and not for compensation, takes certain steps, including regularly inspecting the area surrounding the secure drug take-back bin for potential tampering or diversion and maintaining record logs of those inspections in a specified manner.

The Assembly amendments clarify that the immunity from liability or criminal prosecution provided in the bill applies to any injury or harm that results from the collector maintaining a secure drug take-back bin pursuant to the provisions described above. The Assembly amendments impose additional requirements on a collector when maintaining record logs of inspections. The Assembly amendments add provisions to the statement of legislative intent in the bill that its provisions be construed in a manner consistent with federal and state regulations.

S.B. No. 710—Galgiani et al.

An act relating to real estate licensees, and declaring the urgency thereof, to take effect immediately.

Legislative Counsel's Digest of Assembly Amendments

SB 710, as it passed the Senate, until January 1, 2022, authorized joint powers authorities to issue or cause to be issued bonds and enter into loan agreements for the financing or refinancing of projects situated in other states, if specified conditions were met, and declared that the bill was to take effect immediately as an urgency statute.

The Assembly amendments delete those provisions and instead revise the requirement that advertising and solicitation materials using a real estate licensee's fictitious business name or containing a team name display both the responsible broker's name and the associated identification number to only require the display of the responsible broker's name. The Assembly amendments declare that the bill is to take effect immediately as an urgency statute.
