**GOVERNOR'S VETOES**

---

**234**

S.B. No. 894— Jackson.  
An act relating to firearms.  
Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 894 without my signature.

This bill makes it an infraction (or a misdemeanor for the 3rd offense) to fail to report the theft, loss, or recovery of a lost or stolen firearm.

I vetoed similar measures in 2012 and 2013, because I did not believe that a measure of this type would help identify gun traffickers or enable law enforcement to disarm people prohibited from having guns.

I continue to believe that responsible people report the loss or theft of a firearm and irresponsible people do not; it is not likely that this bill would change that.

Sincerely,

Edmund G. Brown Jr.

**235**

S.B. No. 49— Runner.

An act relating to elections, and declaring the urgency thereof, to take effect immediately.

Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 49 without my signature.

When only one candidate qualifies for a special primary election ballot to fill a legislative vacancy, this bill permits a Governor to cancel the election and declare the candidate elected.

In the situation envisioned by this bill, potential write-in candidates would be excluded from participating in the election. This doesn't seem consistent with democratic principles that call for choice and robust debate.

Sincerely,

Edmund G. Brown Jr.

**241**

S.B. No. 838—Committee on Budget and Fiscal Review.

An act relating to transportation, and making an appropriation therefor, to take effect immediately, bill related to the budget.

**Legislative Counsel’s Digest of Assembly Amendments**

Senate Bill 838, as it passed the Senate, expressed the intent of the Legislature to enact statutory changes relating to the Budget Act of 2016.

The Assembly amendments, among other changes delete those statements of intent and instead, provide that specified revenues received by the state from designated tribal compacts are required to be remitted to the California Gambling Control Commission for deposit in the General Fund. The Assembly amendments also require the Controller to calculate and publish the allocation of specified funds for transportation development for the 2015–16, 2016–17, and 2017–18 fiscal years, as specified. The Assembly amendments require the Department of Motor Vehicles to pilot and evaluate a process to register voters pursuant to the California New Motor Voter Program to assist persons who do not fully complete the voter registration process and require the department to report on October 15, 2016, to the Joint Legislative Budget Committee, on the outcome of the pilot process. The Assembly amendments also require the department to notify the Joint Legislative Budget Committee by September 1, 2016, if it is unable to implement the pilot process for any reason and appropriate the sum of \$3,888,000 from the General Fund to the Department of Motor Vehicles to implement the California New Motor Voter Program.

The Assembly amendments implement changes increasing specified registration fees for vehicles and trailers, make changes relating to the issuance or renewal of driver’s licenses and identification cards, and make changes relating to carrier identification numbers for motor carriers.

S.B. No. 1162—Berryhill.

An act relating to public retirement.

**Legislative Counsel's Digest of Assembly Amendments**

SB 1162, as it passed the Senate, authorized the Mammoth Lakes Fire District (MLFD) to request that the Board of the Administration of the Public Employees' Retirement System transfer, and upon that request would require the board to transfer, available excess assets credited to the miscellaneous member category from the MLFD's employer account to satisfy the MLFD's unfunded accrued actuarial obligations for its safety plan if specified conditions are met. SB 1162, as it passed the Senate, made legislative findings and declarations regarding the necessity of a special statute for the Mammoth Lakes Fire District.

The Assembly amendments revise the authorization granted to the Mammoth Lakes Fire District (MLFD) to request the Board of the Administration of the Public Employees' Retirement System to transfer miscellaneous member assets, conditioning the request on the market value of assets attributable to the MLFD's miscellaneous plan exceeding 150% of the amount that is the actuarial equivalent of the amount the system would be obligated to pay, as specified. The Assembly amendments also revise the method for calculating the amount that may be transferred.

S.B. No. 1257—Block.

An act relating to the State Bar Act.

**Legislative Counsel’s Digest of Assembly Amendments**

SB 1257, as it passed the Senate, required an applicant for admission and a license to practice law in the state to complete at least 50 hours of supervised pro bono service after commencement of the applicant’s legal studies and prior to application for admission to practice, and defined pro bono service as either assisting in the provision of legal services without charge for specific types of persons, groups, or organizations, or assisting in the provision of legal assistance in public service for a judicial, legislative, executive, or other governmental entity. SB 1257 required the pro bono service to be supervised by an active licensed attorney in good standing. SB 1257 authorized the State Bar to create the form upon which an applicant can report pro bono service and required the State Bar to randomly audit applicants to ensure compliance with this requirement. SB 1257 made these provisions operative on January 1, 2018.

The Assembly amendments specify that the pro bono service is pro bono legal service, defines that term as work without compensation from the client who receives the legal service that is designed to benefit the public interest or persons who are indigent or of modest means that is performed for certain purposes, and requires the pro bono legal service to be performed with or for certain individuals, organizations, or programs. The Assembly amendments instead require an applicant to complete the pro bono legal service requirement before admission to practice law in the state and expand who may supervise the service requirement to include a member of a law school faculty, an instructor employed by a law school, or a person with the appropriate licensing to represent the client before the relevant judicial body or government agency. The Assembly amendments exempt specified persons from these requirements, including, among others, an applicant who is already admitted to practice in any state, territory, or foreign jurisdiction and require each law school to publicly disclose specified information on its Internet Web site through a link from the Internet Web site homepage of the law school under “Pro Bono Legal Service Requirement for Law Students.”

The Assembly amendments specify that an applicant is not prohibited from receiving compensation, including, but not limited to, a salary, for performing pro bono legal service that is paid by a person or entity other than the client who receives
