**GOVERNOR'S VETOES**

---

**23**

S.B. No. 894— Jackson.  
An act relating to firearms.  
Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 894 without my signature.

This bill makes it an infraction (or a misdemeanor for the 3rd offense) to fail to report the theft, loss, or recovery of a lost or stolen firearm.

I vetoed similar measures in 2012 and 2013, because I did not believe that a measure of this type would help identify gun traffickers or enable law enforcement to disarm people prohibited from having guns.

I continue to believe that responsible people report the loss or theft of a firearm and irresponsible people do not; it is not likely that this bill would change that.

Sincerely,

Edmund G. Brown Jr.

S.B. No. 49— Runner.

An act relating to elections, and declaring the urgency thereof, to take effect immediately.

Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 49 without my signature.

When only one candidate qualifies for a special primary election ballot to fill a legislative vacancy, this bill permits a Governor to cancel the election and declare the candidate elected.

In the situation envisioned by this bill, potential write-in candidates would be excluded from participating in the election. This doesn't seem consistent with democratic principles that call for choice and robust debate.

Sincerely,

Edmund G. Brown Jr.

S.B. No. 838—Committee on Budget and Fiscal Review.

An act relating to transportation, and making an appropriation therefor, to take effect immediately, bill related to the budget.

**Legislative Counsel's Digest of Assembly Amendments**

Senate Bill 838, as it passed the Senate, expressed the intent of the Legislature to enact statutory changes relating to the Budget Act of 2016.

The Assembly amendments, among other changes delete those statements of intent and instead, provide that specified revenues received by the state from designated tribal compacts are required to be remitted to the California Gambling Control Commission for deposit in the General Fund. The Assembly amendments also require the Controller to calculate and publish the allocation of specified funds for transportation development for the 2015–16, 2016–17, and 2017–18 fiscal years, as specified. The Assembly amendments require the Department of Motor Vehicles to pilot and evaluate a process to register voters pursuant to the California New Motor Voter Program to assist persons who do not fully complete the voter registration process and require the department to report on October 15, 2016, to the Joint Legislative Budget Committee, on the outcome of the pilot process. The Assembly amendments also require the department to notify the Joint Legislative Budget Committee by September 1, 2016, if it is unable to implement the pilot process for any reason and appropriate the sum of \$3,888,000 from the General Fund to the Department of Motor Vehicles to implement the California New Motor Voter Program.

The Assembly amendments implement changes increasing specified registration fees for vehicles and trailers, make changes relating to the issuance or renewal of driver's licenses and identification cards, and make changes relating to carrier identification numbers for motor carriers.

### Legislative Counsel's Digest of Assembly Amendments

SB 1353, as it passed the Senate, in connection with prohibitions on investing in Sudan and thermal coal companies Public Employees' Retirement System and the State Teachers' Retirement System, required that a board of administration determination that fails certain actions to satisfy constitutional fiduciary responsibilities be subject to a recorded rollcall vote of the full board, following a presentation and discussion of findings, as specified.

The Assembly amendments, instead, clarify that specified state contributions, made pursuant to adjustments to state appropriations funding the Defined Benefit Program State Teachers' Retirement Plan, be allocated to reduce any unfunded actuarial obligation resulting from the benefits and contribution rates in effect as of July 1, 1990.

S.B. No. 1162—Berryhill.

An act relating to public retirement.

**Legislative Counsel’s Digest of Assembly Amendments**

SB 1162, as it passed the Senate, authorized the Mammoth Lakes Fire District (MLFD) to request that the Board of the Administration of the Public Employees’ Retirement System transfer, and upon that request would require the board to transfer, available excess assets credited to the miscellaneous member category from the MLFD’s employer account to satisfy the MLFD’s unfunded accrued actuarial obligations for its safety plan if specified conditions are met. SB 1162, as it passed the Senate, made legislative findings and declarations regarding the necessity of a special statute for the Mammoth Lakes Fire District.

The Assembly amendments revise the authorization granted to the Mammoth Lakes Fire District (MLFD) to request the Board of the Administration of the Public Employees’ Retirement System to transfer miscellaneous member assets, conditioning the request on the market value of assets attributable to the MLFD’s miscellaneous plan exceeding 150% of the amount that is the actuarial equivalent of the amount the system would be obligated to pay, as specified. The Assembly amendments also revise the method for calculating the amount that may be transferred.

S.B. No. 294—Pan et al.

An act relating to public employment.

**Legislative Counsel's Digest of Assembly Amendments**

SB 294, as it passed the Senate, required the Board of Administration of the Public Employees' Retirement System to authorize a form to be used by a member of the system to receive credit for his or her military service. SB 294 prohibited the form from pertaining to any other type of service credit purchase and required the form to clearly state that the member had no obligation to pay for any portion of the employer contribution required by certain provisions of law. SB 294, until April 1, 2017, also required all state appointing authorities to provide notice, as specified, to all the employees of their rights under those provisions. SB 294 also required an employer to inform a new employee at the time of hire of a state or school member's right to purchase service credit for certain active service of not less than one year in the Armed Forces of the United States or of not than less one year in the Merchant Marine of the United States prior to January 1, 1950.

The Assembly amendments require the board to provide, instead of authorize, the form, remove the prohibition on the form pertaining to any other type of service credit purchase, and require the form to instead state that the member has no obligation to pay for any portion of the employer contribution if eligibility is determined to those provisions. The Assembly amendments additionally require an employer to inform a new employee at the time of hire of a non-school local member's right to purchase service credit for certain active service with the Armed Forces or the Merchant Marine of the United States.

S.B. No. 526—Fuller et al.

An act relating to taxation.

**Legislative Counsel's Digest of Assembly Amendments**

SB 526, as it passed the Senate, with respect to an individual who has filed a joint income tax return and requested relief from liability for an understatement of tax or any tax deficiency on or after January 1, 2016, included the revision of the individual's liability for any unpaid tax or deficiency on the joint return under a judgment of dissolution of marriage a factor weighing in favor of relief from tax liability on income earned by or subject to the exclusive management and control of the individual, whether or not the individual was a victim of abuse at the time of filing or funds that would have been used to pay the tax or deficiency were misappropriated by the nonrequesting spouse.

The Assembly amendments instead provide that a court order in a proceeding for a dissolution of the marriage revising tax liability on a joint return may relieve a spouse or domestic partner of tax liability on income earned by or subject to the exclusive management and control of that spouse or domestic partner, unless assets or liabilities are transferred between the individuals filing the joint return for the principal purpose of avoiding tax or as part of a fraudulent scheme or that liability is uncollectible, or unless, within 3 years of when the court order is effective, specified conditions apply. The Assembly amendments additionally provide that the order revising tax liability is not effective if the gross income reportable on the return exceeds \$200,000 or the amount of the tax liability the spouse is relieved of exceeds \$10,000, except as specified, and require those amounts to be recomputed annually beginning on January 1, 2018, as specified. The Assembly amendments apply to court orders served or acknowledged on or after January 1, 2017.

The Assembly amendments instead prohibit any of those above-mentioned persons, for a period of 2 years after leaving office or terminating employment, from holding a direct or indirect interest in, holding employment with, representing, appearing for, or negotiating on behalf of, a gambling establishment, gambling enterprise, registrant, or licensee. The amendments would expand the prohibition to apply to any of the commission or department.

S.B. No. 1179—Vidak.

An act relating to cemeteries.

**Legislative Counsel's Digest of Assembly Amendments**

SB 1179, as it passed the Senate, modified the definition of interment rights and specified that those rights held by the owner are a form of personal property, as specified. The bill additionally provided the order of succession that would apply if the owner dies without making a written designation or a valid enforceable disposition of the interment right in a testamentary device.

The Assembly amendments instead modify the definition of interment rights to specify that those rights are a transferable property interest, as specified. The amendments additionally provide that the laws of intestate succession would apply if the owner dies without making a written designation or a valid enforceable disposition of the interment right by a specific device in a testamentary device, and require the public cemetery district to follow specified abandonment procedures in the event that the owner dies with no heirs at law.

An act relating to public social services.

**Legislative Counsel’s Digest of Assembly Amendments**

SB 1232, as it passed the Senate, required a county human services agency that elects to use information contained in a consumer credit report for the determination of CalFresh or CalWORKs eligibility or benefit level, and that takes an adverse action against a recipient of benefits, to provide the recipient with a specified notice.

The Assembly amendments additionally require the county to provide the notice to an applicant for benefits, if the county takes an adverse action against the applicant, as specified.

S.B. No. 1406—Mendoza.

An act relating to disability access.

**Legislative Counsel’s Digest of Assembly Amendments**

SB 1406, as it passed the Senate, required attorneys who provided demand letters, or served complaints, alleging construction-related accessibility claims against certain public education entities to send copies of the demand letters or complaints to the California Commission on Disability Access within 5 business days and comply with other specified requirements.

The Assembly amendments apply those requirements to attorneys who provide prelitigation letters instead of demand letters, define the terms prelitigation letter and complaint, among others, for the purposes of those requirements, and additionally require attorneys who provide prelitigation letters to include their State Bar license number in the letter. The Assembly amendments provide that failure to comply with those requirements is cause for discipline, and except from those requirements prelitigation letters or complaints sent or filed by attorneys employed by qualified legal services projects or qualified support centers and certain claims, and require the commission to review and report on those prelitigation letters and complaints. The Assembly amendments also correct an erroneous cross-reference.

**Vote: 21.** Substantial substantive change: yes.

S.B. No. 1455—Block.

An act relating to pupil enrollment.

**Legislative Counsel’s Digest of Assembly Amendments**

SB 1455, as it passed the Senate, provided that a pupil complies with a school district’s residency requirements for school attendance in that school district if he or she is a pupil whose parent is transferred or is pending transfer to a military installation within the boundaries of the school district while on active military duty pursuant to an official military order. SB 1455, as it passed the Senate, required a school district to accept applications by electronic means for enrollment and course registration for those pupils, and required the parent to provide proof of residence within 10 days after the published arrival date provided on the military order.

The Assembly amendments correct cross-references, revise the definition of “military installation,” recharacterize the military order as “official documentation,” and revise the types of addresses related to the military move a parent may use for proof of residence purposes.

**Vote: 21.** Substantial substantive change: yes.
