S.B. No. 610—Jackson.

An act relating to franchises.

Legislative Counsel’s Digest of Assembly Amendments

SB 610, as it passed the Senate, amended the California Franchise Relations Act to require franchisors, subfranchisors, and franchisees to deal with each other in good faith, as defined, and prohibited a franchisor or subfranchisor from restricting the right of a franchisee to join or participate in an association of franchisees to the extent the restriction is prohibited by existing law. SB 610, as it passed the Senate, authorized a franchisee to bring an action for damages or other appropriate relief against a franchisor or a subfranchisor who violates these provisions and authorized a liable franchisor or subfranchisor to recover contributions from any other similarly liable persons.

The Assembly amendments remove the requirement that franchisors, subfranchisors, and franchisees deal with each other in good faith and instead provide that any condition requiring a franchisee to waive the implied covenant of good faith and fair dealing is void. The Assembly amendments prohibit a franchise agreement from preventing a franchisee from selling a franchise to another qualified person. The Assembly amendments also prohibit a franchise agreement from giving a franchisee the right to sell the franchise without the consent of the franchisor unless the consent is unreasonably withheld and from relieving the franchisee of the duty to notify the franchisor of the franchisee’s decision to sell the franchise. The Assembly amendments prohibit a franchisor’s early termination of an agreement, unless the franchisee failed to cure a substantial and material breach for 30 days. The Assembly amendments authorize a franchisee to decide between two specified remedies from a franchisor that unlawfully terminates or fails to allow the sale of a franchise.

Legislative Counsel's Digest of Assembly Amendments

SB 1093, as it passed the Senate, among other things, required that independent living skills services be available to all adult consumers who live in the home of a parent, relative, or other person, or who live independently.

The Assembly amendments instead require regional centers to provide independent living skills services to an adult consumer, consistent with a consumer's individual program plan, that provide the consumer with functional skills training that enables him or her to acquire or maintain skills to live independently in his or her own home, or to achieve greater independence while living in the home of a parent, family member, or other person.

An act relating to taxation.

Legislative Counsel’s Digest of Assembly Amendments

SB 1335, as it passed the Senate, required any bill, introduced on or after January 1, 2015, that would authorize a personal income or corporation tax credit to contain, among other provisions, specified goals, purposes, and objectives that the tax credit will achieve and detailed performance indicators to measure whether the tax credit is meeting those goals, purposes, and objectives.

The Assembly amendments provide that taxpayer information collected pursuant to these new requirements is subject to a limitation on the collection and use of that information, the violation of which is punishable as a misdemeanor, which would expand the scope of a crime, thus imposing a state-mandated local program.
