S.B. No. 497—Vidak.

An act relating to pupil transportation.

To the Members of the California State Senate:

I am returning Senate Bill 497 without my signature.

This bill requires the Department of Education to request and post on its website specific school transportation data from local entities that provide transportation services to students.

Current law does not prohibit the Department of Education from requesting or collecting, or locals from sharing school transportation information between interested parties that find it useful to compare data.

While well intended, I am unconvinced that this voluntary data collection would produce meaningful information or is a valuable use of limited resources at the local or state level.

For these reasons, I am unable to sign this bill.

Sincerely,

Edmund G. Brown Jr.

SB 184, as it passed the Senate, was a local government omnibus bill that, among

other things, authorized a county recorder to make marginal notations on records as part of the recording process, repealed the requirement that the county recorder keep an index of the separate property of married women, and indefinitely extended a provision of the Subdivision Map Act that sets forth the specific requirements imposed on a local agency for the complete or partial release of a performance security furnished by a subdivider. SB 184 required the California Uniform Construction Cost Accounting Commission, established pursuant to the Uniform Public Construction Cost Accounting Act (UPCCAA), to review the nonaccounting practices of any participating public agency if an interested party presents evidence that the public agency is not in compliance with the UPCCAA's provisions and required that this request be in writing, sent by certified or registered mail.

The Assembly amendments require the California Uniform Construction Cost Accounting Commission to review the practices of any participating public agency if an interested party presents evidence that the public agency is not in compliance with a specified provision of the UPCCAA. The Assembly amendments require the commission's review to commence immediately and conclude 90 days from the receipt of the request for commission review. The Assembly amendments additionally define the term "clerk," for specified purposes, to mean the clerk of the legislative body or secretary of the entity. The Assembly amendments authorize a county, whether general law or charter, containing a population of less than 500,000 to award individual annual contracts. The Assembly amendments authorize the legislative body of a local agency to designate any public officer or employee to summarily vacate a public service easement under specified conditions, and authorize the legislative body of a local agency to delegate the authority to vacate a public service easement to any public officer or employee, as provided. The Assembly amendments, if the resolution of vacation applies to a public service easement vacated by a public officer or employee, also require the resolution to contain a certification that all entities having any right, title, or interest in the public service easement being vacated have been notified of this action. The Assembly amendments define the term "clerk," for the purposes of the Parking and Business Improvement Area Law of 1989 and the Multifamily Improvement District Law, to mean the clerk of the legislative body, and make a related conforming change. The Assembly amendments require a vote of at least 7 members of the board of the Paso Robles Basin Water District to dispense with the notice of public hearing and adopt an emergency ordinance.

S.B. No. 216—Pan.

An act relating to public employees' retirement.

**Legislative Counsel's Digest of Assembly Amendments**

SB 216, as it passed the Senate, among other things, amended the Public Employees' Retirement Law by repealing provisions that direct the Board of Administration of the Public Employees' Retirement System (board) to invest not less than 25% of all funds that become available in a fiscal year for new investments in specified obligations and securities connected with residential realty, as provided; changing the frequency of when the board is required to submit a review of system assets to the Legislature to a semiannual basis and revising the required content of that report; and specifying that the option to purchase service credits by a member who returns to active service following an employer-approved uncompensated leave of absence because of his or her serious illness or injury is to be elected prior to retirement.

The Assembly amendments additionally amend the Public Employees' Retirement Law by providing that the authority of the board, during the course of an audit, to require employers participating in the Public Employees' Retirement System to provide specified information or make available for examination or copying any record also applies to when the board deems it necessary to determine eligibility for retirement benefits.

The Assembly amendments require the loan contract to provide a minimum 4-month loan period and require the pawnbroker industry to gather data annually relating to the financial condition of the California pawn industry.

SB 299, as it passed the Senate, also required the State Department of Health Care Services to designate a provider or applicant as a “high” categorical risk if the department lifted a temporary moratorium within the previous 6 months for the particular provider type submitting the application. SB 299, as it passed the Senate, deleted obsolete provisions of law and included an urgency clause.

The Assembly amendments clarify that selling, in addition to offering for sale, a financial product or service that is illegal under state or federal law, including a cash payment for the assignment to a third party of the consumer's right to receive future pension or veteran's benefits, is also an unlawful practice under the Consumer Legal Remedies Act. An act relating to taxation, to take effect immediately, tax levy.

**Legislative Counsel's Digest of Assembly Amendments**

SB 598, as it passed the Senate, provided that, under the Sales and Use Tax Law, an all volunteer fire department, as defined, is a consumer, and not a retailer, of all tangible personal property sold by it, if the profits are used solely and exclusively in furtherance of the purposes of the all volunteer fire department, so that the retail sale subject to tax is the sale of tangible personal property to the all volunteer fire department. SB 598 provided that these provisions are subject to specified limitations, including that the volunteer fire department does not have, in the preceding 2 years, receipts from the sale of tangible personal property of \$100,000 or more. SB 598 repealed these provisions as of January 1, 2026.

The Assembly amendments instead repeal these provisions as of January 1, 2021, and specify that these provisions do not apply to a volunteer fire department that has, in the preceding 2 years, gross receipts from the sale of tangible personal property of \$100,000 or more.
