All Health Insurers, by Share of Revenue

California, 2013

IN BILLIONS

2014 Update*

Total: \$154 B

DMHC: \$136 B

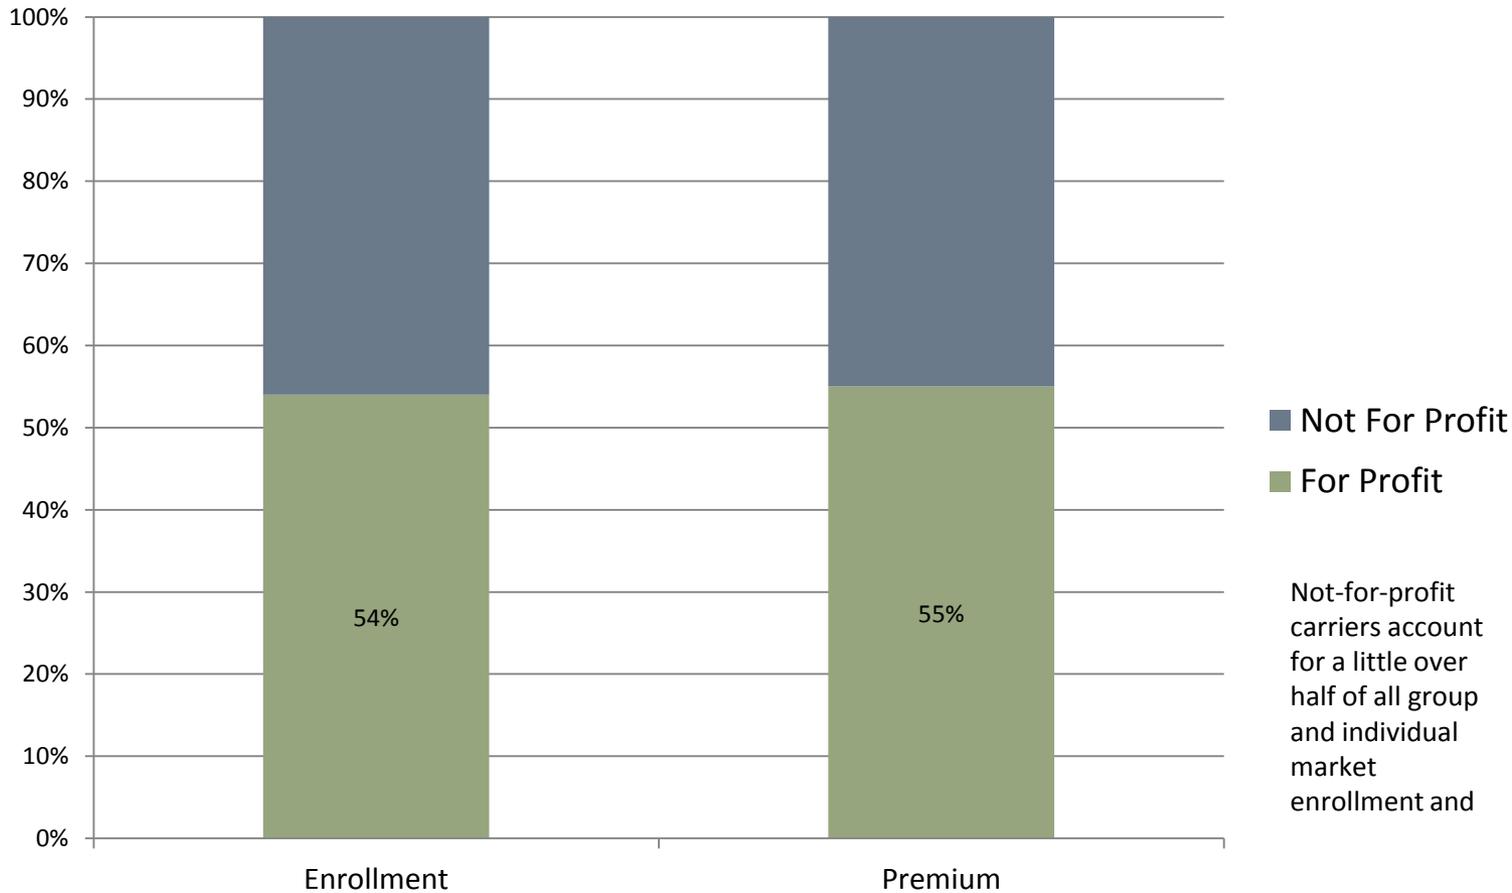

CDI: \$18 B

*Preliminary Results

Notes: Kaiser figures adjusted to reflect only California business. UnitedHealthcare figures include PacifiCare. All Others reflects other full-service plans regulated by DMHC (including L.A. Care, SCAN, and CalOptima), as well as the Accident and Health (A&H) line of business regulated by CDI. Share computation based on total revenues from DMHC-regulated insurers and California A&H direct premiums written.

Amount of Business* in For-Profit vs NFP Carriers, 2013

Lines of Business by Regulator

Health Insurance and ASO Enrollment by Business Line Reported Under California Law, 2013

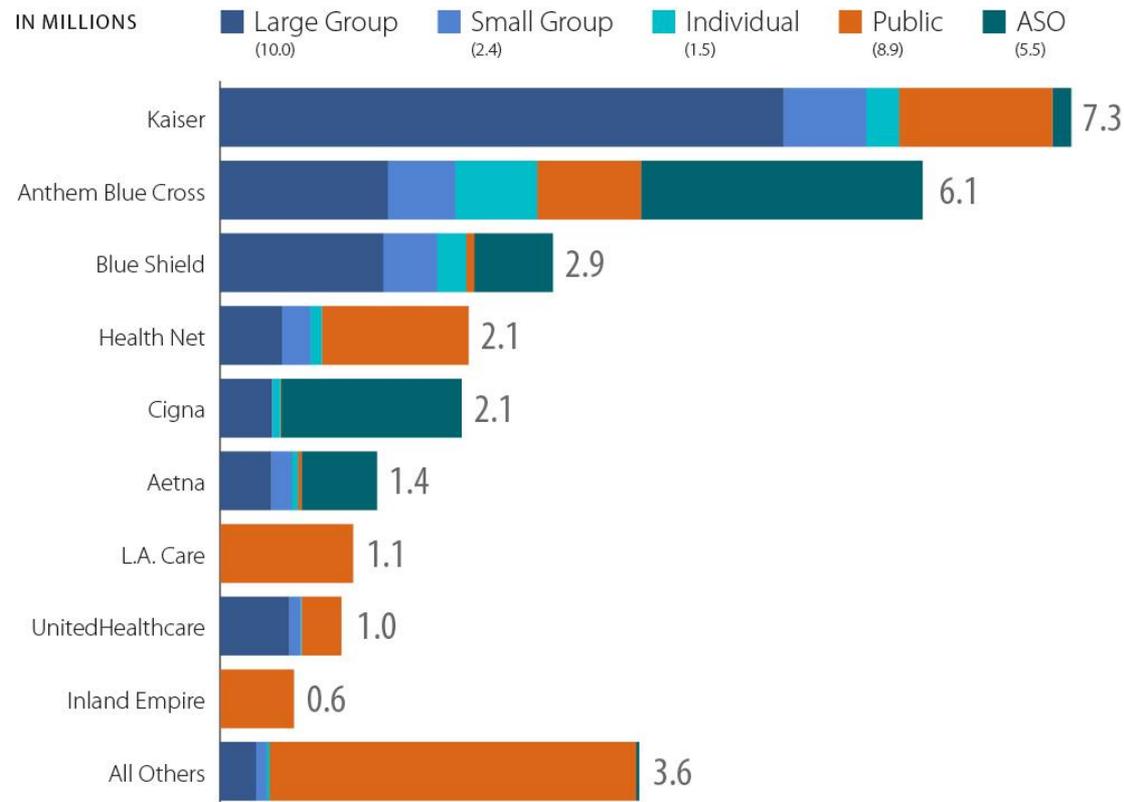

Notes: Figures shown reflect all components reported by CDI and DMHC in response to the requirements imposed by AB 1083, which mandated reporting of enrollment in individual, small group, large group, Medi-Cal managed care, and ASO (provided to self-insured employers) business lines. Enrollment reporting under this law is available for 2012 and 2013; see companion data file. Medicare Supplement (DMHC) and Medicare Part D (CDI) are not comprehensive insurance; From Other Plans (DMHC) is subcontracted enrollment. Medi-Cal and Other Public includes Healthy Families and AIM. Large group includes Federal Employee and TriCare. For more detailed information about lines of business by regulator, see page 25.

Lines of Business, by Insurer

Enrollment, by Insurer and Market Sector DMHC and CDI Combined, California, 2013

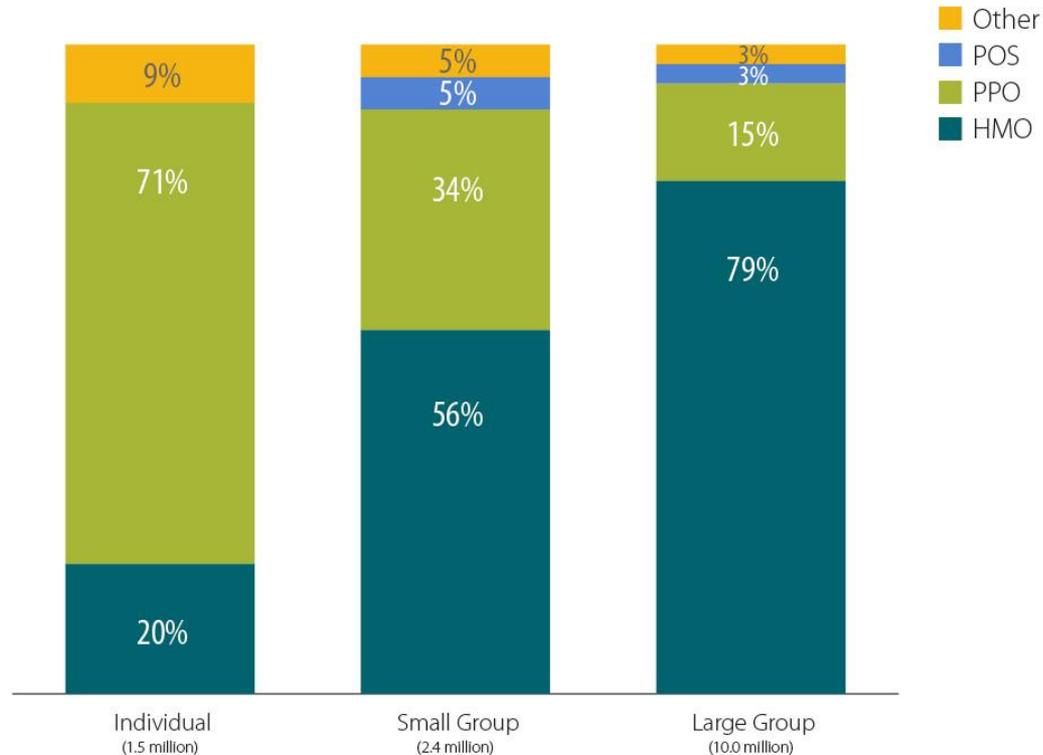

Notes: Commercial consists of individual, small group, and large group enrollment. ASO (Administrative Services Only) are provided to self-insured employers. Health Net includes Health Net Community Services enrollment, which is primarily Medi-Cal. All Others consists of insurers with fewer than 500,000 enrollees, such as CalOptima (Orange county), Partnership (county consortium), and Molina.

Product Distribution

Product Distribution, Commercial Enrollment, by Market DMHC and CDI Combined, California, 2013

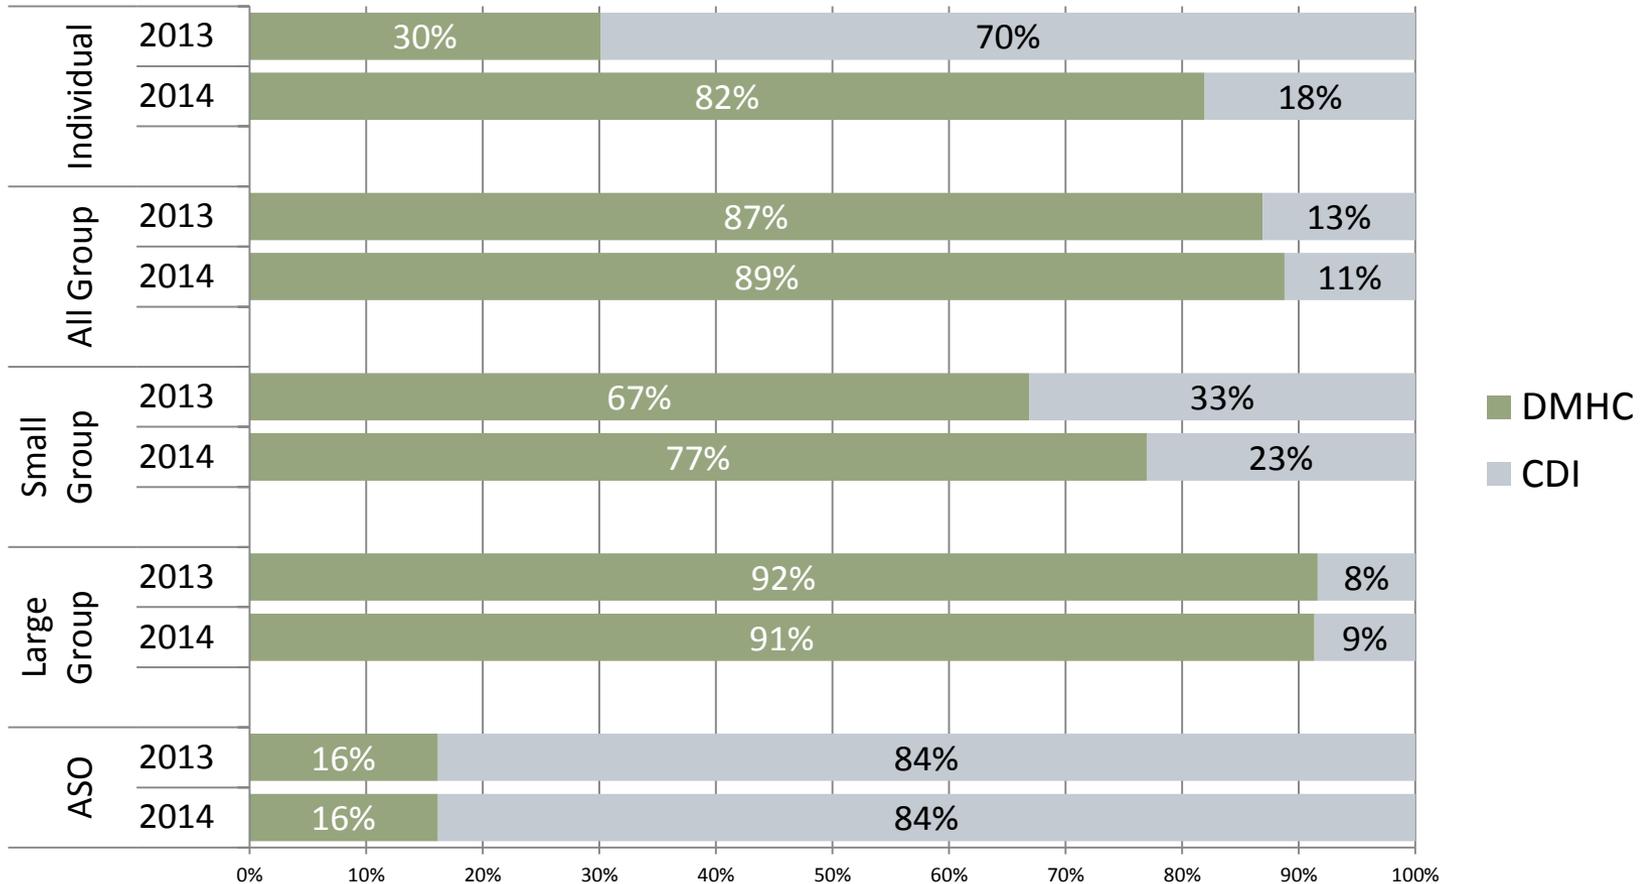

Notes: Enrollment figures are as of December 2013. Large Group includes enrollees in the Federal Employees Health Benefit Program (FEHBP) and Tricare. Commercial refers to health insurance individually purchased or obtained through an employer group. Other includes the following categories: Exclusive provider organization (EPO), fee-for-service (FFS), high deductible health plan (HDHP), and other major medical products. Not all products are reported by both regulators. DMHC reports the following commercial products: HMO, PPO, and POS; these products also encompass high deductible health plans (HDHPs). CDI reports PPO, POS, EPO, FFS, HDHP, Federal, TriCare, and other major medical products; mini-med products and student health do not constitute major medical coverage and are excluded here.

California Rate Increases

Recent History and Early 2016 Figures, Selected Sources

	2011	2012	2013	2014	2015	2016
CalPERS HMOs	10.6%	5.3%	8.7%	3.8%	3.9%	7.2%
CalPERS-PPOs	8.7%	3.0%	14.0%	2.5%	1.0%	10.8%
Large Group	8.1%	6.4%	5.7%	6.0%	--	--
Small Group	10.1%	8.0%	7.7%	6.5%	--	--
Individual	10.0%	8.2%	9.0%	16.6%	Prelim Analysis 4-6%	
Covered CA	9.9%	4.6%	9.5%	3.7%	4.2%	4.0%

Notes: Large group reflects California Employer Health Benefit Survey. Methodologies for determining increases vary. Covered California figures are weighted averages. Individual and small group market figures are median increases filed with regulators. Mercer's Annual Survey, an early source of national rate information, reported increases of 4.6% for 2016 expected by large employers nationally.
