GOVERNOR'S VETOES

25

S.B. No. 301—Portantino et al.
An act relating to air pollution.
Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 301 without my signature.

This bill would require the California Air Resources Board (CARB) to establish the Zero-Emission Aftermarket Conversion Project (ZACP) to provide an applicant with a financial rebate for converting a gasoline- or diesel-fueled vehicle into a zero-emission vehicle (ZEV).

California is showing the world what's possible - fostering innovation and creating space for an industry to flourish as the sale of ZEVs reach record highs, with over 1.8 million ZEVs now on California's roads. The state continues to invest billions of dollars in ZEV deployment and supporting infrastructure to achieve our ambitious climate and clean air goals.

While I share the author's desire to further accelerate the state's transition to ZEVs, this bill creates a new program at a time when the state faces a \$44.9 billion shortfall for the 2024–25 fiscal year. Additionally, there is no funding currently identified or available in the state budget to support this new program.

For these reasons, I cannot sign this bill.

Sincerely,

Gavin Newsom

2024

Jun. 14—Shall Senate Bill 301 become a law notwithstanding the objections of the Governor? (Must be considered pursuant to Joint Rule 58.5.)

S.B. No. 674—Gonzalez et al.

An act relating to air pollution.

Legislative Counsel’s Digest of Assembly Amendments

SB 674, as it passed the Senate, required the installation of a refinery-related community air monitoring system and a fence-line monitoring system for each refinery, as defined, on or before January 1, 2026. SB 674 required the owner or operator of a refinery, within 24 hours of a fence-line monitoring system detecting an exceedance of a specified threshold of any measured pollutant, to initiate a root cause analysis and to report the findings of that analysis and the corrective action performed by the refinery within 5 days of the exceedance.

The Assembly amendments instead require the installation of a refinery-related community air monitoring system and a fence-line monitoring system for each covered facility, as defined, on or before January 1, 2028. The Assembly amendments require the appropriate air pollution control district or air quality management district to provide notice to the appropriate policy committees of the Legislature regarding the district’s progress toward meeting that deadline. The Assembly amendments require the owner or operator of a covered facility to initiate the root cause analysis and report the findings of the analysis and the corrective action within 14 days of the exceedance of the pollutant threshold.

S.B. No. 949—Blakespear et al.

An act relating to courts.

Legislative Counsel’s Digest of Assembly Amendments

SB 949, as it passed the Senate, required, beginning July 1, 2026, the superior court to provide any court user with a reasonable amount of break time during a court proceeding to express breast milk each time the court user has a need to do so. SB 949, as it passed the Senate, also made a technical clarification to an authorization that, commencing July 1, 2026, permits a superior court to comply with a requirement to provide court users with access to a lactation room in a courthouse in which a lactation room is also provided to court employees, as specified.

The Assembly amendments, instead, require the superior court to provide any court user who is participating in an ongoing court proceeding with a reasonable amount of break time during a court proceeding to express breast milk. The Assembly amendments delete the technical clarification of the lactation room exemption for court users. The Assembly amendments also specify that the bill’s provisions do not affect any requirements imposed by law upon a superior court as an employer in relation to its employees.

S.B. No. 1024—Ochoa Bogh.

An act relating to healing arts.

Legislative Counsel's Digest of Assembly Amendments

SB 1024, as it passed the Senate, among other things, required a licensee under the Licensed Marriage and Family Therapist Act (LMFTA), the Educational Psychologist Practice Act, the Clinical Social Worker Practice Act (CSWPA), and the Licensed Professional Clinical Counselor Act (LPCCA), to display their license in a conspicuous place in their primary place of practice when seeing clients in person. SB 1024, as it passed the Senate, and with respect to the LMFTA, CSWPA, and LPCCA, prohibited a supervisor in nonexempt settings from serving as individual or triadic supervisors for more than a total of 6 persons who are receiving supervision for providing clinical mental health services.

The Assembly amendments, instead, require a licensee to display their license in a conspicuous place in their primary place of practice when rendering professional clinical services in person, and prohibit the above-specified supervisors from serving as individual or triadic supervisors for more than a total of 6 persons who are not fully licensed at the highest level for independent clinical practice and who are receiving supervision for providing clinical mental health services.

S.B. No. 1034—Seyarto et al.

An act relating to public records.

Legislative Counsel’s Digest of Assembly Amendments

SB 1034, as it passed the Senate, revised the unusual circumstances, pursuant to the California Public Records Act, under which the time limit for a state or local agency to determine whether a public records request seeks copies of disclosable public records in the possession of the agency may be extended, to include the need to search for, collect, appropriately examine, and copy records during a state of emergency, as defined, proclaimed by the Governor, when the state of emergency has affected the agency’s ability to timely respond to requests due to decreased staffing or closure of the agency’s facilities, except as specified.

The Assembly amendments, instead, revise the unusual circumstances described above to include the need to search for, collect, and appropriately examine records during a state of emergency, as defined, proclaimed by the Governor, in the jurisdiction where the agency is located, when the state of emergency currently affects, due to the state of emergency, the agency’s ability to timely respond to requests due to staffing shortages or closure of facilities where the requested records are located, except as specified.

S.B. No. 1190—Laird.

An act relating to mobilehomes.

Legislative Counsel's Digest of Assembly Amendments

SB 1190, as it passed the Senate, made any entity that willfully violates the provisions of the bill which, among other things, make any covenant, restriction, or condition contained in any rental agreement or other instrument affecting the tenancy of a homeowner or resident in a mobilehome park, or in a subdivision, cooperative, or condominium for mobilehomes, or in a resident-owned mobilehome park that effectively prohibits or restricts the installation or use of a solar energy system, as defined, on the mobilehome or the site, lot, or space on which the mobilehome is located void and unenforceable, liable to the homeowner, resident, or other party for actual damages occasioned thereby, and for a civil penalty paid to the homeowner, resident, or other party in an amount not to exceed \$1,000.

The Assembly amendments would limit the above-described liability to a subdivision, cooperative, or condominium for mobilehomes, or a resident-owned mobilehome park, and would increase the amount of the civil penalty in an amount not to exceed \$2,000.

S.B. No. 1385—Roth et al.

An act relating to Medi-Cal.

Legislative Counsel’s Digest of Assembly Amendments

SB 1385, as it passed the Senate, required a Medi-Cal managed care plan to adopt policies and procedures to effectuate a billing pathway for supervising providers, as defined, to claim for the provision of community health worker services to enrollees during an emergency department visit and an outpatient followup to an emergency department visit, as specified, and required the State Department of Health Care Services to develop similar guidance for use in the fee-for-service delivery system.

The Assembly amendments impose a deadline of July 1, 2025, for the adoption of those policies and procedures and the development of the guidance. The Assembly amendments make changes to the definition of “supervising provider” and various technical changes.
